

**Additional Industry Questions and GSA's Answers**  
**Task # 4QTK4708CM08**

**Question #1** - What are the page limitations and preferred fonts for the Technical proposal?

**Answer #1** - **No limitations were specified. However, please present a package that is both legible and concise, that addresses all of the requirements of the PBSOW.**

**Question #2** - Do they include resumes and past performance references?

**Answer #2** - **The PBSOW addresses resumes and past performance. Please review requirement.**

**Question #3** - Since the RFQ was extended, when are the Past Performance Questionnaires due?

**Answer #3** - **Questionnaires are now due before the RFQ closes.**

**Question #4** - Since the government is interested in small business and/or 8(a) participation; will GSA give extra consideration to small and 8(a) businesses that prime; providing they demonstrate ability to perform the services required in the PBSOW?

**Answer #4** - **RFQ issued in accordance with the requirements of the FABS contract.**

**Question #5** - What about personnel clearances?

**Answer #5** - **The task start date has been revised from 11/01/2008 to 03/02/2009 to allow for clearances, if necessary.**

**Question #6** - What is the value of the current contract?

**Answer #6** - **After consultation with the GSA Legal department, the total dollar value of the current task order, including base year and three option years, is \$3,153,820.32.**

**Question #7** - Did the scope change from the scope awarded to Spencer Reed Group and the referenced RFQ? If it changed, how did it change?

**Answer #7** - **See attached current SOW.**

**Question #8** - Does the current contract contain degree requirements for the required personnel?

**Answer #8** - **See attached current SOW.**
